

OLD MICHAELIAN ASSOCIATION

Report and financial statement of sports fixtures held at St. Michael's College on Sunday July 16th 1967.

Cricket, Tennis, Badminton, Volley Ball and Basket Ball matches versus the College took place. The Old Boys were the winners in all these events except for the Volley and Basket Ball.

Part of the arrangements for the day was the provision by the Old Boys of lunch and liquid refreshment.

Lunch

Expenditure	£11 17 6d	Receipts	*£7 16 6d
-------------	-----------	----------	-----------

Bill is attached  
A  $\frac{1}{2}$  gallon of cream was bought by Mr. M. McCartney. It was not used for the lunch and is not shown in the account above.

£11 17 6d
<u>7 16 6d</u>
£4 1 0d Loss

\*Old Boys were charged 4/-; Schoolboys 3/-  
An unspecified number of schoolboys (estimate 6) failed to pay for their lunch. A number of non-playing Old Boys had asked to be catered for and did not arrive. (estimate 15-20).

Drink

Expenditure	£10 2 9d	Receipts	*£9 4 10 $\frac{1}{2}$ d
-------------	----------	----------	--------------------------

£10 2 9d
<u>9 4 10<math>\frac{1}{2}</math>d</u>
17 10 $\frac{1}{2}$ d Loss

\*The receipts total includes £1 donation from Col. N. Blair of Letchworth.

The drink was sold at too low a price because the correct price was not ascertained beforehand. E.G. :- Babycham was sold at 1/9d (Pub price 2/-) etc. etc. Drinks in future should be sold for a penny or twopence more than the Pub Saloon Bar price. This is especially necessary when glasses are borrowed in order to allow for breakages.

Twenty bottles of Babycham and one seven pint can of bitter were drunk by persons unknown and for which ~~was~~ payment was not received. A subsequent collection amongst Old Boys and Schoolboys raised 16/-; and Col. N. Blair donated £1. This sum went some way towards defraying what could have proved a substantial loss.

Total loss from Lunch and Drink was: £4 18 10 $\frac{1}{2}$ d
